Appellation Toscana IGT

Grape Varietal 70% Sangiovese 20% Cabernet 10% Merlot

Soil Composition The soil has an important stony structure made of sediments of a pliocene river with clay.

Elevation 200 meters

Fermentation Method 15 days of maceration in stainless steel at temperature controlled

Aging 12 months in french barrique

Alcohol Content 13%

Tasting Notes Warm, ruby red colour. Ripe fruit bouquet, reminding of red berries and ripe cherry. The wine is soft and round on the palate, with fine structure and matches perfectly with roast meats, cheese, pasta, salame and ham.
